MEMORANDUM FOR: Director of Central Intelligence

THROUGH : Deputy Director for Management *151 Llb*  
and Services

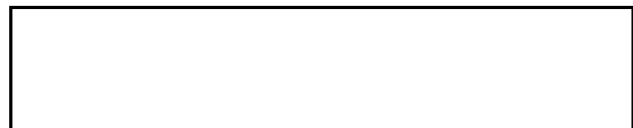

SUBJECT : Security

1. Action Required. The attached memorandum to Dr. John McLucas, Director, National Reconnaissance Office requires your signature.

2. Background. Dr. McLucas sent you a memorandum on 30 October expressing concern about security of the NRO and suggesting a review of the overall subject of covert security for the National Reconnaissance Program.

3. Staff Position. The DD/S&T, D/DCI/IC and the Office of Security agree that such a review seems in order at this time and we are proposing a small group with representation from the IC Staff, the DD/S&T, the Office of Security and the NRO to do preliminary work. We have informally discussed this with John McLucas. He endorses the approach and indicated he would be pleased to have chair the group. We have prepared the attached response for your signature which reflects this position. We will have the memorandum hand carried to John McLucas.

4. Recommendation. It is recommended that you agree to this approach and sign the attached memorandum to John McLucas.
